SUBJECT: (UNCLASSIFIED) The Defense of Atomic Weapons Storage Sites

TO: Commanding General
First Army
Governors Island
New York, N. Y.

1. The 3084th Aviation Depot Group has recently been activated at Westover AFB, Mass. In developing required plans for the wartime operation of the site, this Headquarters has been advised that the First Army has the responsibility to provide a National Guard special security force for external defense. (Reference TS letter from the Army Assistant Chief of Staff, G-3, dated 23 June 1952, subject: "Defense of Vital Installations.")

2. Your earliest assistance is requested in developing a plan for the external defense of the 3084th ADG installation. The Commander of the 3084th, Lt Col R. R. Bessom, has been authorized direct communication and liaison with your Headquarters to provide operational data which will be needed in the development of this plan.

3. It is requested further that two copies of the completed plan be forwarded to this Headquarters, Attn: MCZP.
