I hereby certify that I have transferred all classified documents and material with which I was charged or which I had in my possession, to persons designated by the Commander, 3084th Aviation Depot Group.

I am not retaining in my possession, custody, or control, any documents or material containing RESTRICTED DATA or information classified TOP SECRET, SECRET, or CONFIDENTIAL which have been furnished to me during the course of such employment, assignment, or detail.

I understand that upon my departure from this base, I am forbidden from making any public or private statement, or in any other way commenting upon newspaper stories, radio broadcasts, or any news releases concerning classified information pertaining to this base, its mission, or my association with this organization.

I shall not hereafter reveal any RESTRICTED DATA or other classified information of which I have gained knowledge during my employment or tour of duty with this station except to properly authorized persons.

Unless my official duties dictate otherwise, I am aware that upon termination from this organization I lose my authority to receive and transmit classified information pertaining to this base.

I realize that unofficial and unnecessary identification of persons formerly associated with this station by revealing their current assignment or their duties and responsibilities associated with this organization, when such persons are located in overseas areas, may jeopardize their personal safety and the interests of the United States.

I have been informed of the provisions of the Atomic Energy Act of 1946 (Section 10(b) (1), (2), (3), and (4), which prescribe penalties for the disclosure of RESTRICTED DATA to unauthorized persons, and the provisions of U. S. Code, Title 18, "Crimes and Criminal Procedures," (Section 793 and 794), 18 U. S. C., 1946 ed., Sup. IV.), and of "Internal Security Act of 1950," (Section 21) which prescribe penalties for the disclosure to unauthorized persons of information respecting the national defense and for violation of security regulations and orders. I am fully aware that I may be subject to criminal penalties if I have made any statement of material facts knowing that such statement is false or if I willfully conceal any material fact (Title 18, U. S. Code, Section 1011).
